It's 2024
Apple Sauce Season!

Available For Order Now!

Greetings From Muirhead Canning

Two big changes to this year's Spring order form; first, I have added **Apple Butter** to the line of products we make. I am making two varieties, Sugar & Spice (brown sugar, cinnamon & nutmeg) and Just Apples (truly, there is nothing but apples in this apple butter). I started last year at the prompting of a customer and I am very excited about this new offering. I have received lots of positive reviews from customers who love it and I know you will too. Second, there will be **no Spring Delivery this year** as I am going to be busy turning apples into applesauce in April and May.

You will be able to still receive our fruit to your doorstep via UPS and as always you can drive directly to the cannery to pick up your order.

Apple Sauce Pick-Up Starts April 1, 2024

This year we will not be doing a Muirhead Truck Spring Delivery.

Pickup at the Cannery will start April 1st. Coming to The Dalles is a nice drive in April. If you watch the forecast, you can find a week with nice temperatures and lots of sunshine. While in The Dalles you can check out the many murals that were added in 2022, eat at Cousins Restaurant, and get a tour of the cannery. On the way to The Dalles you can pull off the freeway to enjoy Multnomah Falls (no pass required in April), stop in Hood River for the Fruit Loop drive, or cross the river to see the flowers blooming on Dog Mountain. The Gorge has these and so many other things to do in the spring. If you want to see the cherry blossoms or other outdoor activities it is best to come towards the end of April or early May.
